POSITIONING

- Dark, industrial, futuristic intensity from Okay Dylan — heavy, distorted, relentless. Built to hit like a hammer for walkouts, trailers, grid and launch moments, drops, and any turn that needs raw force.
- A global-sports pressure record for modern motorsport, football-tournament, trailer, gaming, and documentary moments that need primal drums, industrial pressure, and immediate trailer impact.

PUBLIC COPY

- A dark, industrial, hard-hitting single for the grid, the tunnel, the cockpit, and the final lap — the moment fear turns into purpose.
- Built for walkouts, trailer turns, helmet-on moments, documentary pressure, and industrial-stadium impact.

PRIMARY SYNC LANES

- Motorsport / racing: grid walk, helmet-on silence, cockpit focus, night-race trailer, final-lap pressure, driver-to-car moments.
- Football / global tournament pressure: tunnel walk, locker-room silence, penalty-kick pressure, captain focus, national pressure, documentary tension turn.
- Combat sports: boxing/MMA walkout, staredown, impact replay tension, training-to-fight arc.
- Trailer / documentary / gaming / brand film: comeback turn, pressure montage, industrial human-against-machine atmosphere.

CREDITS / CLEARANCE
